Greetings from Winnipeg!

It is my great pleasure to introduce you to Mr. Hemant M. Shah.

Mr. Shah was born in Mumbai and has lived in Winnipeg, Manitoba, Canada since 1978. He is a proud Winnipegger, however, he has not forgotten his roots and country of birth.

A prominent individual in Winnipeg, Mr. Shah has many credits to his name. He established the India Trade Development Committee of the Winnipeg Chamber of Commerce and has strongly promoted trade between Manitoba and India since his arrival here 23 years ago. In 1990 he received the Manitoba Export Award and was named the Immigrant Entrepreneur of the Year in 1993.

Mr. Shah is in Mumbai at the same time as the HMCS Winnipeg and I understand he will be visiting the ship.

In closing, I would greatly appreciate it if you could extend any courtesies available to Mr. Shah during his visit to Mumbai and wherever he may travel in India. Thank you and best wishes from Winnipeg!

Yours very truly,

GLEN MURRAY,
MAYOR of WINNIPEG
